LIFETIME WARRANTY

Ruggedized - Waterproof
FleetMAX was designed to out-last the life of your vehicle. Includes plug and play, OE grade connectors.

LIMIT - TOP SPEED

Increased Vehicle Safety
Vehicles equipped with a top speed limiting device have a 50% lower crash rate (FMCSA). Top speeds are determined by your fleet manager.

OE WARRANTY FRIENDLY

NO computer re-programming
Our easy to install product limits the top speed of ANY vehicle. FleetMAX does NOT interfere with OEM vehicle computer updates.

MADE IN THE USA

US Based Technical Support
We can solve any issue fast with our free US based phone and email technical support for the life of the product. Easy to install plug & play.

REDUCE ABUSE

Optional Torque Reduction
Reduce drive-train abuse with built-in torque reduction. Choose from Stomp or percent. Torque reduction is defined by your fleet manager.

TECH FRIENDLY

Works with ALL Telematics
FleetMAX does NOT interfere with currently installed GPS or Telematic systems. Does not void your OE Warranty. Call today for a quote!
